

## Department of Corrections/ Board of Pardons and Parole Parole Sanction Options

Parole sanction options for intervention  
hearings or on-site hearings

Low-level community-based sanctions include, but are not limited to:

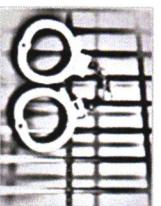

- Curfew
- Counseling
- House arrest
- Verbal warning
- 24/7 program
- Travel restriction
- Community service
- Increased UA testing
- Electronic monitoring
- Increased supervision
- Contract for treatment
- Intensive supervision program sanction/ESP programs
- Awardee boot camp program

Recommend to BOPP modification of parole conditions

Referral to chemical dependency treatment

Jail sanctions up to 30 days; offender can be ordered to pay for the sanction cost

Additional parole sanction options  
for on-site hearings only

Placement at START for offenders awaiting bed space or when other community placement options do not exist

Placement at MSP or MWP if:

- New felony charges exist
- Upon BOPP request
- To address medical or behavioral issues

Alternative placement with BOP approval (e.g., pre-release, boot camp, Nexus/Elkhorn, Intensive supervision program)
